Re: Sixth Release of Documents Pursuant to Plaintiffs' FOIA Requests

Dear Mr. Cmar:

As you are aware, the Department of the Army has diligently processed documents which are relevant to your clients' FOIA requests dated August 8 and 17, 2018. On October 3, we released 17 documents totaling 5,092 Bates Stamped pages. On October 22, we released one document totaling 411 Bates Stamped pages. On October 26, we released four documents totaling 2,259 Bates Stamped pages. On November 1, we released 13,137 Bates Stamped pages. On November 30, we released 2,674 Bates Stamped pages. Although we believe this sixth release constitutes all documents that are relevant and responsive to your requests, we will continue to search for documents that may have been previously missed.

This sixth release constitutes searches conducted by HQDA individuals, as well as U.S. Army Environmental Command and U.S. Army Public Health Center. Names, addresses, phone numbers, and signatures of individuals were redacted pursuant to (b)(6). There were no other redactions to these documents.

Please contact AUSA Rachael Doud at (212) 637-3274, or via email at Rachael.Doud@usdoj.gov with any questions regarding this case.

Sincerely,

A handwritten signature in black ink, appearing to read "John E. Swords", is written over the typed name.

John E. Swords
